I wish to become a Supporting Member of the EHF. I accept the IHEU minimum definition of Humanism as "a democratic and ethical life stance, which affirms that human beings have the right and responsibility to give meaning and shape to their own lives. It stands for the building of a more humane society through an ethic based on human and other natural values in the spirit of reason and free inquiry through human capabilities. It is not theistic, and it does not accept supernatural views of reality" (see <http://www.ih.eu.org/minimumstatement>).

EITHER I enclose the annual subscription of €25.

OR I will pay the annual subscription on request.

* EHF bylaws (article 5), available on our website www.humanistfederation.eu state that the association is composed of:

1. Full members - for organisations
2. Consultative members - for organisations
3. Supporting Members: Individuals may become supporters on payment of the relevant fee, if they are accepted by the Board.
